General Announcements:

- **Using the Bridgemates:**
 1. Please read the Bridgemate screen before pressing any keys – to be sure you are entering the correct data at the correct time.
 2. Like the basketballers, remember that “hang time” is good. This means slowly and gently press the keys – they work better this way, rather than a quick stab.
 3. Please read the Bridgemate screen before pressing “Accept” - this way you will identify and fix any incorrect names or incorrect scores.

Thanks
Chris
