Tuesday Bridge Days

For the past month we have been running a Bridge session on Tuesdays between 10am and 2pm. This session is designed to allow players to have more time to play each board and to meet other members of the club. With extra time provided for a lunch break you can have a chat and get to know your fellow club members.

The other duplicate sessions we offer are more time restricted (with the Monday and Wednesday afternoon sessions being especially busy). **And you do not need a partner for this session** – simply email Kathy (secretary@toowoombabridgeclub.com.au) or log into Pianola and use the **Partner Finder** – see below for more information.

Here is some of the feedback from people who have been coming:

Thanks for organising the game today, I really enjoyed it.

Personally, I would love to see Tuesday morning become a strong regular playing session as you create such an enjoyable playing environment. I think it fills a gap that is missing in TBC.

I really learned a lot today because we had time to talk about some of the boards after each round.

Thank you to the regular players that are joining us. Unfortunately, we need the table numbers to improve to continue to offer this session. So please talk to your friends and give it a try. Reach out to me for more information.

Thanks

Kathy Duke

Need a Partner? Try the Pianola Partner Finder

TBC provides Pianola access to all members so you can find your results, see personal performance reports and analyse hands played. In addition, you can use Pianola to find a suitable partner for any session. Players can advertise for a game and control who sees the advert, meaning there'll be no awkward conversations 😊.

To access the Partner finder, you need to log in to your Pianola account and then click on the **Partner finder** menu option to set your Preferences and place your Advert.

Profile of Bernie Moffatt

I grew up on a farm west of Millmerran where we eventually were given a school. There were 16 students on the first day. I started in grade 5, there were 5 of us in grade 5. I rode a horse to school with my sisters. Then it was off to boarding school for years 8,9 and 10, then back to the farm for a year.

That is when the nomadic life starts. Cattle stations out of Normanton, Pubs in Brisbane, Building sites in Melbourne, Landscaping in Perth. Sadly, my father died in a horse related accident in the early 80's. I finally returned to the farm for a couple of years then I married this lovely lady who gave me two of the most wonderful people in the world. The nomadic life did not stop.

Meat works in Inverell, Landscaping in Coffs Harbour, Car Wrecking in Toowoomba and lastly fencing in Toowoomba for 25 years. At 70 I decided that I had dug enough post holes for one lifetime, so I retired. I play bridge to keep the mind active. I hope it works. Recently I have started an outdoor cooking channel. WILBI'S OUTDOOR COOKING. Check it out on YouTube. *Bernie*

Ed: *Bernie plays mainly on Wednesday morning in the Restricted Session and also on Thursday nights. If you see Bernie at the club, introduce yourself and please make him feel welcome.*

NEW MEMBERS 2025

from your Ed. Glenys Clift

Prior to the ABF taking over the membership, I used to have a list of members with their contact information, so when I started doing profiles, it was fairly simple for me to contact people. However, this year, I was told the club cannot give me details about new members, as the information belongs to the ABF. So, I visited the class on Monday morning and handed out my contact details explaining that I would like to do a short profile of each person who has joined to introduce them to the members. I also emphasized it was only what they were comfortable sharing about themselves.

I must have done a terrible PR job, because not one person contacted me. Then I tried Wednesday morning, asked for people's telephone numbers and rang each person explaining about the profiles asking for their email addresses so I could send each an email explaining what it was about. Which I did. That was over a month ago. Well, I must have done another terrible PR job because initially nothing happened. So, I was delighted to receive Bernie's email and photo. My email address is jgclift@bigpond.com and would love to hear from some of our new members - only what you want to share. Cheers *Glenys*

Masterpoint Secretary's Report

In September, I processed results for 43 sections from 33 sessions yielding 138.60 green and 25.82 red masterpoints. At the end of September, the ABF decided how many red masterpoint sessions we would be allocated for 2026. It is based on the number of green masterpoints we awarded in the period October-24 to September-25. It was a big September, so we just ticked over to 29 sessions for 2026 – down from the 30 in 2025 (because we have been playing slightly less bridge).

There was a bit of red point give-and-take in the September masterpoints for our club. The club masterpoints were correct but the wrong file was loaded to the event organisers for the Australia's Bridge Day out event from Tuesday 23rd September. This was corrected in early October. It's time for another race review "highest masterpoint earners" for the year as at 30 September 2025.

Loyalty

I am probably touching a nerve in saying this (but only a bit). I want to talk about the many facets of “loyalty” in the bridge world.

Loyalty to Partner

This is the most significant one. There is an expected loyalty to our regular playing partner.

- Occasionally they are mirror images of us – in bidding and play standard, in temperament, in their preference of the sessions and events that they like to play in; and sometimes not.
- The mirror image scenario is rare, but a bit of compromise on both sides works wonders and we see many partnerships endure for years, at the table and as friends.
- Often, they start when the two of you emerge from lessons together, sometimes when an experienced player adopts a novice, sometimes your regular partner might leave Toowoomba and you “go shopping” for a new partner.
- It gets sad when one partner might be (bridge) fading a bit. Many partnerships continue but some eventually go their separate ways. It requires great tact when this occurs.

Loyalty to the System

- It is best that you work on a basic system (typically the one you were taught). I have seen a number of partnerships strained because one person is faithful to the system whereas the other wants to adopt something new every time someone else says they got a good score because we do XXX.

Loyalty to your club

- In a small town it is not too much of an issue, and in Toowoomba there are two clubs that are closely aligned and many people members of both clubs. In other towns/cities this is not the case.
- Some people just jump from club to club chasing the shiny red and gold masterpoints and this is tough on a club’s regular members. Some people never play at club XYZ but then grumble that XYZ never supports our congresses. I admit this is mainly from some clubs in the southern states, but it does happen.

Loyalty to a session

- Back to the Toowoomba club and referring to Tuesday daytime, Tuesday night, Thursday night and Friday afternoon – these are small sessions and they suffer if someone is away then their regular partner just doesn’t play. It would help all our friends and keep these sessions viable if we went out and found someone new to play to “keep the numbers up”. If you need help with finding a fill-in partner you can approach Kathy for Tuesdays, Denise for Tuesday nights, Chris for Thursday nights and Ian or John for Friday afternoons.

Just more musing from me.

Cheers *Chris*

Winners are Grinners

The “Monthly Winners” are recognised as the “individual” winner of **eclectic** multi-session events. These events combine of all the green masterpoint sessions in a month that have not already counted toward a competition. If there are three available sessions then your best two scores are counted (shows as 2/3), if there are four available sessions then your best three scores are counted (3/4) and if there are five available sessions then your best four scores might be counted (4/5). If there are two available sessions, then they are treated as an eclectic event (best 2/2). If there are five days in the month, then we usually combine two of these (see the bridge diary) as a “**Two-Weekly**” and additional masterpoints are awarded to the top half of those whose partnerships played both days. The remaining three days are scored as an eclectic with (2/3).

Wednesday AM Restricted	Dale Burey

TOOWOOMBA BRIDGE CLUB
KINGS BIRTHDAY SWISS PAIRS AND TEAMS CONGRESS
3-6 OCTOBER 2025

CONVENOR REPORT

Entries opened in late July and those for the Pairs and Teams events were filled within two weeks. A full complement of 60 Pairs and 30 Teams were maintained to play in the Congress. During the period leading up to the event, I received several phone calls from players asking could they be put on waiting lists in both the pairs and teams events. Vacancies were quickly filled when pairs or teams withdrew by those on stand-by. Two away players, independently, had contacted me to say that they would be in Toowoomba over the weekend and were available to play if I needed a player at short notice. Both were able to play, one in the Pairs and the other in the Teams after illness two days before the Congress had forced the withdrawal of two players: one in the Pairs, and one in the Teams. It also meant that the stand-by home club pairs and team members were still available for any last-minute cancellations. Thank you to these stand-by players for making yourselves available for a last-minute call to play.

19 clubs were represented in the 3 events –Ballina, Caboolture, Dalby, Darling Downs, Dubbo, Gold Coast, Ipswich, Kenmore, Lennox Head, Maryborough, Moreton-Bribie, Noosa, QCBC, Sunnybank, Sunshine Coast, Toowong, Toowoomba, Tweed, and Warwick.

Thanks to all members who helped at the working bee on the Thursday preceding the Congress, and to all who assisted with setting up the room after the Walk-In Pairs on Friday afternoon, and after play on Saturday, Sunday and Monday. The gardens were looking wonderful, and the floral arrangements put together from the garden drew a lot of favourable comments from our visitors.

Our members very generously supplied an ample amount of home baked cakes, slices and savoury items which were used during the 3 days. Nonplaying members also gave generously of their time to assist with many tasks during the weekend – helping in the kitchen, caddying, parking, selling raffle tickets, photography and so on. Special thanks to Deb Archer and Michele Alroe and their team of helpers for all the work in the kitchen. Sandwich and wrap lunches were delicious and were supplied by Northland Bakery and Subway (Saturday) and Etiquette (Sunday and Monday) – caterers the club had used in 2024.

The raffle was well supported and \$985 was taken in ticket sales.

The Congress ran very smoothly under the direction of Chris Snook. Many favourable comments were made by our visitors on the hospitality and friendliness shown by all at the club. Thanks to all who contributed to the team effort in making this another successful Congress. *Ngairé Wills*
